Year 8 GEOGRAPHY REVISION CHECKLIST.

Winter Examinations

As you begin your revision, complete this honestly to help you see where your priorities should lie for your revision. The target is eventually to get all your ticks in the left-hand column.

Remember that there are three main types of geography: Physical, Image: Constraint of the second	I CAN:	\bigcirc	(*)
Explain, using examples what physical geography. Image: Constraint of the second s			
Explain, using examples what human geography is. Image: Constraint of the second s			
Explain, using examples what environmental geography is. Image: Constraint of the constraint			
Recall the names of at least four geography related jobs.			
Describe what a physical map shows. Describe what a political map shows. Identify the location of the major towns (that my teacher has told me) of Northern Ireland, on a map. Identify the location of these rivers on a map of Northern Ireland: River Lagan River Foyle Upper Bann Lower Bann Identify the location of these loughs on a map of Northern Ireland: Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain:

Northern Ireland, on a map. Identify the location of these rivers on a map of Northern Ireland: River Lagan River Foyle Upper Bann Lower Bann Identify the location of these loughs on a map of Northern Ireland: Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain:	Describe what a political map shows.		
 River Lagan River Foyle Upper Bann Lower Bann Identify the location of these loughs on a map of Northern Ireland: Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	Northern Ireland, on a map.		
 River Foyle Upper Bann Lower Bann Identify the location of these loughs on a map of Northern Ireland: Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 			
 Upper Bann Lower Bann Identify the location of these loughs on a map of Northern Ireland: Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 			
 Lower Bann Identify the location of these loughs on a map of Northern Ireland: Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 			
Identify the location of these loughs on a map of Northern Ireland: Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain:			
 Lough Neagh Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	 Lower Bann 		
 Lough Foyle Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	Identify the location of these loughs on a map of Northern Ireland:		
 Strangford Lough Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	 Lough Neagh 		
 Belfast Lough Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	 Lough Foyle 		
 Upper Lough Erne Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	 Strangford Lough 		
 Lower Lough Erne Identify the location of these mountains on a map of Northern Ireland: Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	 Belfast Lough 		
Identify the location of these mountains on a map of Northern Ireland: • Sperrin Mountains • Antrim Plateau • Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain:	 Upper Lough Erne 		
 Sperrin Mountains Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain: 	 Lower Lough Erne 		
Antrim Plateau Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain:	Identify the location of these mountains on a map of Northern Ireland:		
Mourne Mountains Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain:	 Sperrin Mountains 		
Explain what the United Kingdom is. Identify these mountain ranges on a map of Great Britain:	 Antrim Plateau 		
Identify these mountain ranges on a map of Great Britain:	 Mourne Mountains 		
Identify these mountain ranges on a map of Great Britain:	Explain what the United Kingdom is.		

	1	1
 Pennines 		
 Southern Uplands 		
 Cambrian Mountains 		
Identify these islands on a map of the United Kingdom:		
 Isle of White 		
 Isle of Man 		
 Shetland Islands 		
 Outer Hebrides 		
Identify the following on a map of the United Kingdom:		
 North Sea 		
 Irish Sea 		
 English Channel 		
Identify the location of towns (my teacher has told me the towns I need to		
know) on a map of Great Britain		
Explain what a map is.		
Name at least four groups of people who use maps.		
Describe the characteristics of a good map.		
Use compass points to give and follow directions.		
Use and interpret Ordnance Survey map symbols.		
Use four figure grid references.		
Use six figure grid references.		
To describe a place using evidence from a map.
